WELCOME MESSAGE

Uzma Asif
CEO of Sibel Welfare Organization

At Sibel Welfare Organization, our mission has always been simple yet powerful — to bring hope, dignity, and opportunity to those who need it most. Over the past year, I have witnessed the incredible impact of compassion and teamwork, and it fills my heart with gratitude for everyone who has been part of this journey.

Your support has turned ideas into action, and dreams into reality for countless children and families. Together, we will continue to build a future where kindness connects us all, and where every small act of love has the power to change a life.

FOR KIDS

Nurturing Hope, One Child at a Time

At the heart of Sibel Welfare lies our Care Home a safe space for abandoned and underprivileged children. Here, we provide shelter, education, healthcare, emotional support, and life skills in a family-like environment.

FOR ELDERS

Our elders are the foundation of our society. At Sibel Care Home, we provide senior citizens with respect, companionship, and quality care. We ensure they live their later years in a warm, comfortable, and supportive environment, surrounded by kindness and dignity.

VERIFICATIONS FOR ADMISSION

At Sibel Welfare Organization, we provide a safe and caring home for orphan children. Every case is thoroughly verified before admission, and guardians are required to read and agree to our conditions.

Our team personally visits and confirms each case to ensure transparency. Once admitted, children receive complete care, guidance, and support —helping them grow in a safe and nurturing environment.

THIS YEAR'S SPECIAL MOMENTS:

CREATIVE SCHOOL OF SIBEL (CSS)

Extra curricular activities

JOB ASSISTANCE PROGRAM (JAP)

The Sibel Job Assistance Program (JAP) is designed to help unemployed and under-skilled individuals find meaningful work. We offer training, guidance, and networking opportunities so they can improve their abilities, secure employment, and become financially independent. Our goal is to open doors for a better and more stable future.

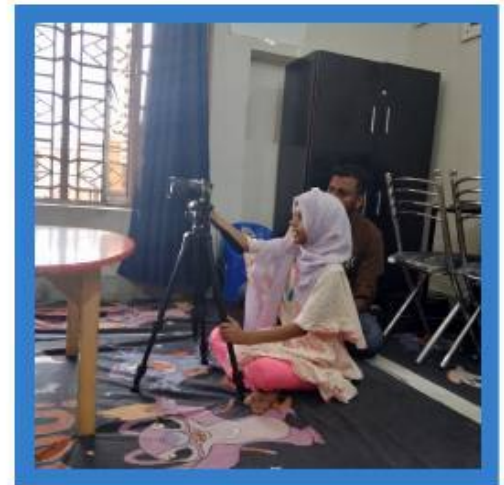

One of our proud initiatives was designing a customized bike for a differently-abled man, enabling him to work independently and support his family with dignity. JAP is not just about jobs—it's about restoring hope, confidence, and opportunity.

SKILL TRAINING X SIBEL CARE HOME:

Workshops including Bento Cake making, Crochet & Wire Jewelry in collaboration with Talent Valley

Photography Workshop in partnership with Level X.

RATION DRIVE

No family should have to face hunger. Through our Ration Drive, we deliver essential food items to low-income and struggling households. This program ensures that the most vulnerable in our community have access to the basic nutrition they need for a healthy and dignified life.

INTERSEX COMMUNITY ASSISTANCE

We believe in equality and respect for all. Our Intersex Community Assistance project supports intersex individuals by offering healthcare, education, skill training, and emotional support. We aim to create opportunities for them to live a life of dignity, free from discrimination and social barriers.

Sibel is among Pakistan's few organizations supporting the intersex community and planning bigger opportunities for them to live an honourable life in near future.

Disclaimer: Our support and recognition are specifically directed towards the Intersex community. Our stance or affiliation does not extend to LGBTQ or any other groups beyond Intersex.

SLDBS

(SIBEL LIFE DROP BLOOD SERVICES)

Our blood donation initiative connects generous donors with patients in urgent need of blood. By organizing donation camps and building a reliable donor network, we help save lives during emergencies. Every drop of blood donated brings hope and a second chance at life for someone in need.

Join our WhatsApp group to be a part of it.
